

Grade 11

Physical science exam breakdown June 2026

Paper 2: Chemistry

Date: 29 May

3 hours

150 marks

Layout of exam:

Multiple choice 20 marks

Long questions 130 marks

Section	Number of marks
Rates of reaction and energy	± 25
Stoichiometry (mole)	± 29
Acids and bases	± 31
Redox and Electrochemistry	± 41
IMF and VSEPR	± 24

*Remember that Stoichiometry (mole) calculations can appear within other sections.
