Paper 1: Physics	
Date: Nov 2026	
2,5 hours	
125 marks	
Layout of exam:	
Multiple choice 16 marks	
Long questions 109 marks	
Section	Number of marks
Newton I,II and III and gravitational law	± 74 <i>Use gr 11 internal + gr 12 internal + external papers</i>
Vectors	<i>Use gr 11 internal + external papers</i>
Electrostatics	± 23 <i>Gr 11 internal or gr 12 internal or external</i>
Circuits	± 28 <i>Gr 11 internal or Gr 12 internal or external</i>

*remember vectors can appear within other sections

Paper 2: Chemistry

Date: Nov 2026

2½ hours

125 marks

Layout of exam:

Multiple choice 16 marks

Long questions 109 marks

Section	Number of marks
Rates of reaction and energy	± 17 <i>Use gr 11 internal + gr 12 internal + external papers</i>
Stoichiometry (mole)	± 20 <i>Use gr 11 internal</i>
Acids and bases	± 21 <i>Use gr 11 internal + gr 12 internal + external papers</i>
Redox and Electrochemistry	± 41 <i>Use gr 11 internal + gr 12 internal + external papers</i>
IMF and VSEPR	± 26 <i>Use gr 11 internal + 11 external</i>

*Remember that Stoichiometry (mole) calculations can appear within other sections.
